Responsibilities

Chaperones are required to remain on site for the duration of the Retreat. This **includes** overnight hours.

Provide your name, full address, and phone numbers on the Youth Registration Form. Each 5 participants must have a chaperone.

Chaperones are considered a part of the retreat and encouraged to form Relay For Life teams.

Follow all ground rules as established by the Youth Development Committee.

Keep track of students' whereabouts and make sure they follow the ground rules. If a youth needs to leave for any reason the chaperone must contact a parent before a youth is allowed to leave.

Keep a list of emergency contacts for each of your student participants.

Chaperones will be notified of any violation of the ground rules, including inappropriate language, smoking, or alcohol use. If the problem persists, the student will be asked to leave the premises for the remainder of the retreat. This will necessitate calling the emergency contact person.
